

We are pleased to announce our  
**New MRI in Point Pleasant**

This advanced GE system delivers uncompromised image quality while maximizing patient comfort.

*Our new 1.5T GE scanner's advanced capabilities include:*

- Robust Neuro imaging with advanced Brain/Spine pulse sequences
- MAVRIC™ Metal Reduction GE software
- Breast MRI coil for optimal assessment of breast pathology
- Dedicated extremity coils for superior image quality for:
  - Shoulders, hands, elbows, wrists, knees
- Contrast / Non Contrast MRA suite for all your vascular needs
- Faster scan times and larger scanner opening

We look forward to serving you and your patients.  
Please let us know if we can assist in any way.
