

Ultrasound Bladder

We look forward to seeing you for your appointment.
Preparation for your test includes:

- On the day of your test, you may take medications as prescribed by your doctor.
- Arrive at least 15 minutes prior to your test.
- Empty your bladder 90 minutes BEFORE your appointment time then start drinking 24 ounces (3 cups) of water.
 - Children 8-12 years old should drink 16 ounces (2 cups).
 - Children under 7 years old should drink 8 ounces (1 cup).
- Finish drinking the water by 60 minutes BEFORE your appointment time.
- Do not void until the ultrasound technologist tells you to.

Please bring relevant studies and reports to your appointment

University Radiology is able to obtain electronic images and reports for you if the previous studies were performed at our imaging centers or at the following hospitals:

Jersey City Medical Center
Jersey Shore University Medical Center
Raritan Bay Medical Center
Robert Wood Johnson University Hospitals in:
New Brunswick, Somerset, Rahway, Hamilton
Saint Michael's Medical Center
Saint Peter's University Hospital
Trinitas Regional Medical Center

Please bring your prescription, insurance card, and photo ID

They are required for this procedure.

Payment

You will be expected to pay your estimated co-payment, co-insurance and/or deductible at the time of your appointment. Please call your insurance provider if you have questions about your plan or coverage.

Questions?
